

SERVICE PAYMENT, FEE & TRANSFER DETAIL

Payment or Fee for services is an exchange or transaction for a specific service. At Patchouli Therapy, I offer therapeutic services to individuals and young adults (aged 14 and above). The therapeutic services refer to any application of skills that work for the benefit of others, such as counselling, psychotherapy, hypnotherapy, NLP, inner child work, and meditation. I offer a wide variety of services to improve health, promote holistic healing, and enhance overall well-being. I work with the whole person, not just the symptom.

Payment of therapeutic Services

In practice, I am an Integrative Psychotherapeutic Counsellor, with specialities in Psychosynthesis, Cognitive Behaviour Therapy, Rational Emotive Behaviour Therapy (CBT/REBT), Neuro-Linguistic Programming (NLP), Emotional Freedom Technique (EFT), Emotion Code and Body Code Energy Healing, Inner Child Healing, Reiki Master, EMDR, Hypnotherapy, Mindfulness and Meditation. I also work with Subtle Body Anatomy, using Reiki & Energy healing. As each person has a unique and specific problem, I draw upon various applications and resources within the therapeutic service to facilitate healing. My approach to the therapeutic process involves establishing rapport with clients by creating a confidential space where they can explore and reflect on their inner world.

Payment or Fee for the service is fixed, based on the average rate. As an ethical therapist, my fee is competitive, within the location where I practice. Please refer to Services and Fees for the applicable rate.
